A. At least one author should be a member of the JMA. However, submissions by any other authors, particularly foreign nationals, who are not eligible to be members, will be considered. In the latter case selection will depend on the quality of the work done and the abstract submitted.

B. Presenting author's name should be underlined.

C. The top of the abstract should specify whether the submission is for Oral Presentation, Poster Presentation or to be considered for either.

D. If sent by post, kindly indicate on the envelope the category of presentation as either ORAL or POSTER.
